Our Mission

The Mahd Al Ulom International School Jeddah (MIS) aims to be an institution of excellence, dedicated to produce leaders of the future.

Our Philosophy

MIS epitomizes a new dimension in education to facilitate every student into a socially committed, professionally competent and emotionally matured cosmopolitan citizen without distinction of race, religion, caste or social status.

Our Objectives

Our key objectives are to...

- A sense of integrity, ethics and uncompromising honesty
- Pursue quality educational programme that integrates academic and Islamic education
- Promote excellent personnel manners and develop strong leadership skills with a spirit of team work
- Help student to develop life skill, questioning mind and spirit of adventure
- Give Equal priority to both material and moral education

Our Features

Some special features of MIS are:

- A state of art, personality development oriented, flexible and highly effective instruction method
- Adequate staff- student ratio
- Spacious classrooms and play ground
- Broad extra-curricular, cultural and morally integrated instructional programme
- Friendly and homely atmosphere
- Enthusiastic, dynamic, loving and highly qualified teachers
- Office staff always ready to help
- Reasonable fees
About the School

MIS is run by a group of highly educated professionals, renowned scholars and eminent educationalists who rendered outstanding contributions for the intellectual and spiritual enlightenment in the Indian society for the last three decades under the scholarly supervision of IAME, with a vision of imparting modern education along with moral studies to its new generation.

All praises to Almighty, MIS has opened its doors in the academic year 2009-10 which has been fully certified and accredited by the Ministry of Education, K.S.A with license NO: 81/S.

Curriculum

MIS follows Indian C.B.S.E (Central Board of Secondary Education) syllabus of studies which includes languages (English, Hindi, Arabic and optional languages: Arabic, Urdu, and Malayalam), Mathematics, Science, Social Studies, Computer Science, Physical Education, Art & Craft, Drawing, etc. Medium of instruction is English.

The CBSE syllabus is generally recognized by the USA, UK, Australia, Pakistan, Bangladesh, Srilanka, Philippine, Indonesia, Canada and other European and African countries as eligibility for admission to higher studies.

Islamic / Moral Studies

The lack of efficient religious education to the students has complicated the social atmosphere worldwide. MIS identifies this precarious situation and finds solution by establishing a well organized and scientifically designed material education along with sound moral education.

The school provides compulsory and free Madrassa education in English medium within regular school hours. The stress is on the scientific learning of Islamic subjects like Quran, Hadith, Akhlaq, and Tareekh. Moral studies for students from other communities not a force
Extracurricular Activities

Besides strong base in academics, school provides opportunity to every child for his/her physical, moral & emotional development. All activities of school are tied up with "HOUSE SYSTEM" like Diamond, Emerald, Pearl & Ruby and promote the winners to participate in interschool level competition which help the students for their overall development. Audio visual time, historic film show, knitting, literary/cultural club, Tahfiz-ul-quran, Arts, chess, cooking, physical education, etc. are few of our items. Organizing fun days, talent hunts, exhibition days, annual indoor and outdoor sports & annual day also come to enrich co-curricular activities.

Library

MIS provides a well-stocked library with book lending facilities for students and teachers. Separate library period will be included in the time table to develop and encourage the reading habits of students.

Computer & Science Lab

A well equipped laboratory for science & computer offers the students avenues for experimental learning through practice.

Work Experience

Work experiments is given due recognition in all classes. Students are trained to make useful objects out of waste materials. The main aim in this area is to train the students to make maximum utilization of the minimum possible resources. Other Socially Useful Productive Works like collage work, vegetable printing, gardening, preparing greeting cards, flower making, cooking have also been taught.

Preparatory Classes

MIS provides preparatory classes for late admissions and low achievers. It will help these students to compete with their peers. Specialized syllabus and qualified professionals handle this package.
Technology and Infrastructure

The school offers a world class environment for imparting education and enhancing creative development of the students. In our advanced computer lab with multiple networked terminals, the students are updated on the emerging trends in information technology. An integrated infrastructure acts as a bridge towards enhanced performance of our students, by improving their learning efficiency, communication and access to resources. The school buildings and other infrastructures make MIS one of the grant schools in Jeddah. It has well maintained spacious class rooms and play grounds along with scientifically designed laboratories, library, stores and canteens for boys and girls separately.

Sports / Arts

True to its commitment towards holistic development MIS has maintained a well equipped physical education department. The school has well equipped art centers for painting, drawing, clay modeling, etc under the guidance of talented and well experienced faculty heading the fine arts department.

Transportation

The school transport facility is available on selected routes, i.e., Jeddah, Bahra & Makkah. Application for this facility can be submitted in the prescribed form with the required details.

Canteen and Store

Canteen facility provides hygienic and healthy food. Text books, note books, study materials and other stationary items are available in school store for all students.

Prayer (Salah)

We are committed to provide special place and time for performing Salah in the school compound for boys and girls separately under scholars.

Counseling

MIS provides child and adolescent counseling as per the need of the students. Family counseling for parents to enhance performance of our students is also provided.
Career Guidance Cell

Educational guidance and counseling services helps students to choose right career after each stages of education suitable to their aptitude and interest. Systematically planned guidance workshops and classes organized at school to expose students to opportunities in various streams of education. It provides information on courses offered in various institutions of higher studies in India and abroad.

Exam Sure Hit (ESH)

Specially designed workshops to improve learning skills and motivate students to face examination with confidence. Programmes are conducted by the experts of IHRAM and other Human Resources Management Organisations.

Parents Effectiveness Training (PET)

Training sessions designed to orient parents to bring up their children efficiently to face the challenges of changing trends in the field of education and employment. PET intends to develop model, relaxed and healthy relationship between children and their parents and between spouses to convene a suitable family environment for better study.
